SMM is a friendly local running club managed by a voluntary committee. SMM is the data controller under data protection legislation.

- Race results that are publicly available will be collated and re-published on the SMM website. In addition, results of club competition and inter-club competition may also be published on our website. Please be aware that when you participate in any sporting event, your results will be published on the organiser's site and numerous other race results sites. In many cases photographs are posted with runners' names and individuals are identified.
- If you run with us as a guest (a non-member) you are required to provide your name and emergency contact details. These are held as a hand-written note only, and are destroyed at regular intervals.
- Photographs are often taken at races and events. The photographs may be used by SMM on this website and in club publicity and promotion.

Why we will collect it

How long we will keep it

We will retain your Athletics Data for such time as you are a member registered with us and will then delete your information as follows:

- **Athletics Data:** Three years after an individual has not renewed their membership

- **Published race results and Club Records:** Indefinitely
Note: race results are published and freely available online from many sources.
